

IRONMASTER *SUPER BENCH*

- 11 lock out angles: Inclines, Declines, Flat, and Upright.
- Powder coated white frame with chrome components.
- 44" x 10" x 2" heavy duty pad and stitched vinyl upholstery, 20" flat bench height. 17" x 41" footprint.
- 3 position incline seat is narrower than the backrest pad so it does not cut into the inside of the legs.
- 1000 lb rated, 11 & 12 gauge super strong steel frame. 600 lb rated for incline/upright positions.
- Unique adjustment ring with foot lever adjust operates from both sides and locks up tight! Patented design.
- Incline seat follows backrest pad at any angle so it will always be perpendicular unlike other benches where the seat can have a shallow angle allowing the user to slide off.
- Ultra stable strong platform in all positions yet is easy to lift and move. Does not need wheels.
- Accepts *optional* accessories like the Crunch Situp and Dip Bar Handles.
- Ships pre-assembled except for feet!
- As seen in Muscle and Fitness Magazine®.
